

OFFICIAL RELEASE
FRIDAY JANUARY 20th
ASHA D & ARTIKAL BAND
- THEY LIE -

To start the year, **They Lie** is a meditative Roots Reggae track,

Asha D is the songwriter, drummer and lead vocalist.

Artikal Band are the musicians with whom he has been performing since the mid-90s...

At a time when corruption, disguised or not, is at the heart of the news for many,

It is time to focus on it.

The population is witness to a large number of lies
organized by the States.

Far from the values that we wish for our children.

This piece is a wink, a dedication to
our leaders in constant search of their interests,
before those of the population.

An open letter, too, to our dear Freedom of Expression.

Stay connected!
